Since 1976 our sole company focus has been to develop the best available swimwear, goggles and accessories for you to enjoy life in the water.

For over 30 years now, Spank has custom made swimwear for hundreds of surf life saving clubs, swimming clubs, water polo clubs and schools across Australia.

Over the years we have been the official supplier of swimwear for the Surf Life Saving National Championships as well as the Australian Water polo teams.

SPANK is very proud to provide our swimwear using only 100% Australian made fabrics in Australia factories.

We have fantastic quality, low minimums and very competitive prices.

We have many styles available for you to choose from or why not fully design your own suit so your school's team really stands out in a crowd.

We can also supply your school with Swimming caps (Latex, Silicone or Lycra) and swimming goggles.
